[Tokyo's Cocoon Tower selected as 2008 Skyscraper of the Year](#)

Posted on 23 January 2009

From Europe-re.com: The jury of the Emporis Skyscraper Award has announced Mode Gakuen Cocoon Tower as its choice for the 2008 Skyscraper of the Year. This is the ninth year of the award, which is given annually to a building at least 100 meters tall and completed within the award year.

The second place winner is Boutique Monaco in Seoul, and Shanghai World Financial Center came in third. These buildings were selected from 380 eligible buildings completed worldwide in 2008..... Full Article: [Source](#)
