Spatial dimensions

Height (structural)	1,265.09 ft	Floors (overground)	92
Height (roof)	1,265.09 ft	Gross Floor Area (GFA)	Buy full PDF

Facts

- The London Millennium Tower was commissioned in 1996 for the site of the former Baltic Exchange, which was damaged beyond repair by an IRA bomb in 1992.

- The project faced opposition for being totally out-of-scale with the City of London, and a new design was submitted in its place. This eventually became 30 St Mary Axe:30 St Mary Axe], also designed by Foster and Partners.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
