Year (construction start)	1979	Year (construction end)	1985
----------------------------------	------	--------------------------------	------

Features & Amenities

- One of the city's famous buildings

Facts

- The main floor features an IMAX Theater.
- The first and the second basement floors house a large aquarium.
- Tallest building South Korea from 1985 to 2002 when surpassed by Mok-dong Hyperion I, Tower A.
- On the top floor is the 63 Golden Tower, an observation deck.
- Although the observation deck is on the 63rd floor there are only 60 floors above ground.
- It was the tallest building in Asia when completed but was surpassed a year later by OUB Centre in Singapore.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
