Year (construction end) 1955

Features & Amenities

- One of the city's famous buildings

Facts

- The building was recently renovated by architects Rhode Kellermann Wawrowsky (RKW) from Düsseldorf.
- Inspired by Mies van der Rohe's Lakeshore Drive apartments, the Mannesmannhochhaus has been called one of the most faithful interpretations in Germany of Mies' style.
- Das Gebäude wurde vor kurzem von den Architekten Rhode Kellermann Wawrowsky (RKW) unter Beibehaltung der Originalentwurfs renoviert.
- Durch die Enge der Baustelle bedingt, mußte die Baustelleneinrichtung mit außerordentlicher Sorgfalt geplant werden.
- Das 24geschossige Gebäude setzte Mitte der 50er Jahre einen markanten Akzent am linken Rheinufer.
- Mit seinen 88,5 Metern war es damals nicht nur eines der ersten, sondern auch das höchste Gebäude der nordrhein-westfälischen Landeshauptstadt.
- Ursprünglich sollte das Hochhaus als Stahlbetonkonstruktion errichtet werden. Nicht zuletzt mit Rücksicht auf den stahlproduzierenden Bauherrn kam schließlich aber eine gemischte Bauweise zum Einsatz: ein Stahlbetonkern, der u-förmig von einer Stahlskelettkonstruktion umschlossen wird.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
