Year (construction start)	1923	Year (construction end)	1924
----------------------------------	------	--------------------------------	------

Features & Amenities

- One of the city's famous buildings
- City landmark
- National landmark

Facts

- The building blends the 1st & 2nd place designs from the Tribune Tower competition in Chicago: the gothic detailing of Raymond Hood's winning tower with the art deco streamlining of Eliel Saarinen's runner-up.

- The design arose out of a wish to create a sculptural tower, which had to be black to minimize the visual interruption of windows.
- American Radiator's image is dramatically reversed at night when glowing windows burn in the dark facade and the crown is lit up.
- The building's design was reinterpreted at the end of the century for the postmodern Main Plaza skyscraper in Frankfurt.
- Das American Radiator Building ist Vorbild zahlreicher ähnlicher Bauten diesen Typs geworden, beispielsweise dem Main Plaza in Frankfurt am Main.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
