Facts

- Along with the ample internal space of 208,200 square meters, the development also includes two theaters: the Uris Theater with 1,933 seats for musicals and the 650-seat Uptown Circle in the Square.
- In front of the building is a sunken plaza facing Broadway.
- Paramount Plaza was built as the Uris Building on the site of the old Capitol cinema theater dating from 1919.

- The facade of dark gray glass is accentuated by narrow striping and topped by a row of openings at the top.
- Headquarters of the firm Deloitte Touche Tohmatsu.
- The theater was dedicated and opened as the Uris, 28 November 1972.
- A Theatre Hall of Fame located in the Gershwin Theatre lobby is a popular gathering place for audience members pre-show and during intermission.
- The Gershwin (then known as the Uris) was the first theatre constructed in New York City since 1928. With a seating capacity of 1,940, it presently is the largest theatre on Broadway, with the exception of the New York State Theatre at Lincoln Center and New York City Center.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
