- Built of gray California granite with blue and gold burnished ironwork, it was designed in a French Renaissance style. In plan it measures 408 by 285 feet, enclosing a square rotunda covered by the 112 foot diameter dome.
- The San Francisco City Hall is located in the Civic Center, a complex of public buildings grouped around the Civic Center Plaza.
- The top of the dome is 11 feet 7 inches taller than the United States Capitol in Washington.
- Arguably the "finest public building in the world".
- Designated City Landmark #21 on March 13, 1970.
- Mayor George Moscone and Supervisor Harvey Milk were assassinated here in 1978.
- Joe DiMaggio and Marilyn Monroe were married here in 1954.
- There is \$400,000 worth of gold in the dome's design.
- The main floor of the Rotunda is approximately 75 feet square.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
