## Features & Amenities

- One of the city's famous buildings
- Observation floor is available

## Facts

- This Class-A office tower has 52 stories and shares a multi-level retail complex of 465,239 square feet, and 3,028 underground parking spaces with the other buildings in the Prudential Center.
- The buiding's systems were renovated from 1983 to 1986.
- The tower has an observation deck - called the Prudential Skywalk - which offers a 360 degree panoramic view of the city, on the 50th floor.
- Was the tallest building in North America outside New York when it was completed, surpassing Cleveland's Terminal Tower.
- On the 52nd floor the restaurant and bar 'Top of the Hub' is located.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
