Features & Amenities

- One of the city's famous buildings
- Observation floor is available

Facts

- On the 45th floor is the Terraco Italia restaurant with sweeping views of the city.
- Built to honor the thousands of Italian immigrants to Sao Paulo.
- Edifício Itália is an office building designed as a triangular tower with curved corners and is covered with brise-soleil.
- Upon completion, Edifício Itália became the 2nd tallest building in Sao Paulo.

- The facade has 6,000 square meters of glass distributed in 4,000 windows.
- It is often considered as São Paulo's tallest building, a title that actually belongs to Palácio W. Zarzur .
- An 18 month re-fit of the facade was completed in 2006 at a cost of US \$700,000 (R \$1,5 million).
- The building is 168 meters in height when measured from the underground level to its roof.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
