<b>Year (construction end)</b>	1983
--------------------------------	------

## Features & Amenities

- One of the city's famous buildings

## Facts

- Until the installation of heating coils the roof tended to dump accumulated snow onto the sidewalks below.
- Nicknamed the "cash register" due to its crown.

- Completed in russet-colored granite and gray glass, featuring an unusual curving glass roof and a large glass-enclosed pavilion rising over 100 feet which serves as the project's main entry.
- This building is the most widely recognized icon of the Denver skyline.
- Built as an addition to I.M. Pei's Mile High Center, this tower was initially criticized for crowding the site.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
