### Facts

- This building is very similar to Esplanade I located in Downers Grove, Illinois, just outside Chicago, also by the same architects.
- When originally developed in the 1980s, this building was to have been accompanied by a 250-room Embassy Suites Hotel. The hotel was never built.
- In early 2006, developers proposed an additional office building, Colonnade II, just northwest of this building, connected through a shared ground floor lobby.
