Years and costs

Year (construction start)	2002	Building costs	\$ 130,000,000
Year (construction end)	2004		

Facts

- Construction began on June 1, 2001.
- University Center of Chicago is the largest joint student residence hall in the United States.
- This dormitory serves three different universities with campuses nearby: DePaul University Lincoln Park Campus, Roosevelt University, and Columbia College.
- 35,000 square feet of retail occupy the first two floors along State Street.
- University Center dormitories houses 2,000 students.
- Topping out ceremonies occurred the week ending August 16th 2003.
- The city government donated the building's site to the Educational Advancement Fund which is developing the project.
- From the fourth floor up the building is shaped like an "E", with a 20,000 ft² garden filling in the courtyards on the east side.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
