Years and costs

Year (construction start)	2003	Building costs	\$ 94,600,000
Year (construction end)	2004		

Facts

- The Chicago Transit Authority is relocating here from the Merchandise Mart, its home for 50 years, where it had rented an entire floor.
- In 2000 the developers of the nearby Skybridge proposed a residential tower designed by Helmut Jahn on this site called the 555 West Lake Apartments.
- An environmentally friendly "green roof" is planned for the top of this building.
- Site preparation began on April 25th 2003, with construction officially starting on May 6th with the drilling of caissons.
- Plans allow for a link from this building to the CTA's adjoining Clinton Street Station on the elevated Green Line.
- This building was constructed at the same time as 180 North Jefferson across the street to the west.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
