Year (construction start)	1947	Year (construction end)	1948
----------------------------------	------	--------------------------------	------

Facts

- This was the temporary home of the Evanston Public Library while it built its new home at Church and Orrington.
- The building has undergone two major renovations: the first increased the height of the windows on the southern half, and the second removed one floor from the front to create a terrace.
- Located at the heart of Downtown Evanston, the Fountain Square Building takes its name from the public plaza in front which has three fountains and a war memorial.

Involved companies

Architect.....
Alfred S. Alschuler
 28 East Jackson Boulevard
 60604 Chicago

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
