Facts

- The blue glass production facility will face the new Sprint Center Arena across I-670 to the north.
- Four, 60 foot tall printing presses will be seen through the glass, creating a dramatic visual experience on all sides of the structure, which covers two square city blocks. north to south.
- Five, 50-foot light towers will be focused on the presses and include rotating colored lights.
- The area containing the presses is 377.7 feet long. To help the presses run efficiently, it will be maintained at a constant temperature of 72 to 75 degrees and 40 percent to 45 percent humidity.
- The building contains 7.8 million pounds of structural steel, 500,000 pounds of sheet metal and ductwork, 20,900 cubic yards of concrete and about four acres of glass.
- There are 11 distribution docks and truck aprons, four receiving docks and four recycling docks.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
