### Years and costs

<b>Year (construction start)</b>	2000	<b>Year (construction end)</b>	2008
----------------------------------	------	--------------------------------	------

### Features & Amenities

- Balconies are available
- Bicycle storage is available
- Business center is available
- Exercise facility is available
- Hospitality room is available
- Public parking is available
- Swimming pool is available

### Facts

- The Dominick's store on the ground floor is one of the largest supermarkets in downtown Chicago.
- The condo tower was built atop a parking structure that was originally intended as the base for a Hilton Suites Hotel.
- Construction on the podium began in 2000, was interrupted for over a year, and ended around 2004. Work on the condo tower started in early November 2005.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
