<b>Year (construction end)</b>	1915	<b>Year (last renovation)</b>	2005
--------------------------------	------	-------------------------------	------

## Facts

- This is one of approximately \$500 million in arts and cultural institution expansions completed in Minneapolis during 2005 and 2006. Others include the Walker Art Center Theater Tower, the new Guthrie Theater, the new Minneapolis Central Library, and an expansion of the neighboring Children's Theatre Company.
- Another addition along Stevens Avenue, designed by Michael Graves, opened in 2006.
- The Kenzo Tange-designed addition along 3rd Avenue South was completed in 1974.
- One of the major comprehensive fine-arts museums in North America, the neo-classical building overlooks Fair Oaks Park to the north.

## Involved companies

Architect.....  
**McKim, Mead & White**

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
