## Years and costs

<b>Year (construction start)</b>	2005	<b>Year (construction end)</b>	2008
----------------------------------	------	--------------------------------	------

## Facts

- In gaining LEED Silver certification, this will feature many new design elements never attempted in the city before, including the city's first green roof.
- Had its official groundbreaking at 10 a.m. on Thursday, December 8, 2005.
- Will replace the Social Security Administration Building as Birmingham's main payment facility.
- Project approved by the U.S. Senate's Environmental and Public Works Committee during the final week of July 2003.
- Originally proposed as a five-story building with an adjacent 1,750-space parking deck.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
